

TREASURE HUNT

LET'S THINK LIKE A HACKER

❖ About TH:-

- The Game totally depends on your ability to search things on internet.
- There are **2** rounds of this game.
- Game based on CTF (capture the flag).
- You have to find passwords and decode some codes.

1. First Round (Crack me)

- In **First-Round** "**crackme.zip**" will be given with **instructions.txt**.
- You have to read all the instructions carefully password of the zip is also mentioned in **instructions.txt**.
- There are **10 PDF** files 1.pdf to 10.pdf in **crackme.zip**.
- Each PDF is **password** protected.
- You have to find "**Treasure Code**" which is in the last pdf and submit it to the web portal.
- For the **First – Round** particular time limit will be given to participants.
- On the basis of time taken to crack all pdf, participant will get qualified for the **Second Round**.
- After completion of first round there will be a break.

2. Second Round (Quick-Meet)

- All the participants who are qualified for **second-round** have to join google meet (link will be provide).
- Basic Questioning round.
- Quick quiz .
