

# TREASURE HUNT

LET'S THINK LIKE A HACKER

## ABOUT THE GAME :-

- Virtual Treasure Hunt is totally dependent on your ability to search things on Internet.
- Virtual Treasure Hunt consist of 2 rounds.
- It will be based on CTF (Capture The Flag).
- You have to find passwords and decode some codes.

### 1. FIRST ROUND (CRACK ME)

- In **First-Round** the aspirants will be given 2 files named as:
  1. **Crackme.zip**.
  2. **Instructions.txt**.
- **Instructions.txt** contains Password of the **.zip** file.
- **Crackme.zip** contains **10 PDF** files from 1.pdf to 10.pdf.
- Each PDF is **password** protected.
- You have to find "**Treasure Code**" which is in the last pdf and submit it to the Web portal.
- For the **First – Round** there will be specific time limit given to participants.
- On the basis of time taken to crack all pdf's, participant will be qualified for the **Second Round**.
- After completion of first round there will be a break. Participants are requested to read all the instructions carefully.

### 2. SECOND ROUND (QUICK-MEET)

- All the participants who are qualified for **Second-round** have to join a Google Meet (link will be provided by respective Coordinators).
- Basic Questioning round.
- Quick quiz.

## INSTRUCTIONS / GUIDELINES :

- All participants should be active in the respective WhatsApp group of Virtual Treasure Hunt.
- It's the duty of each participant to stay in touch with respective Coordinator whole day.
